POTATO PANCAKES

We need:

potatoes

garlic

salt

very fine flour

egg

marjoram

pepper

First we peel potatoes and garlic.

We grate them on a fine grater into a bowl and mix.

Then we add very fine flour, egg, marjoram, salt, pepper, …

… and very fine flour.

We pour the pieces of the batter to the pan.

We roast potato pancakes on the oil on <u>both sides</u> until golden brown.

Traditional potato pancakes serve we to taste. It's good by itself or as a side dish to meat or meat mixture.
