

Litomyšl on a list of cultural heritage

Project CLAP

UNESCO research

Research goals

- Visit Litomyšl and find out what is there on the list of UNESCO
- Search some interesting information and facts
- Look for some unusual things and events
- Take some photos

How did we proceed?

We took some brochures about Litomyšl and also a worksheet for the research

Before we went to the Litomyšl we were given an advice about the research by our teacher

When we had arrived to the Litomyšl we began to work and search for information

And after a little while our castle tour had begun and there we found most information

The begining of the castle tour

**So, What is there on the list of
UNESCO?**

Renaissance castle and castle area are on the UNESCO list since 1999

Castle area

There are 6 main parts of the castle area:

- 1) Stables
- 2) Brewery
- 3) Castle park
- 4) Castle french garden

Stables

Brewery— a house where a famous composer Bedřich Smetana was born

Castle park (in the background is a place where an outdoor theatre used to be)

Castle french garden

Riding - school

House for carriages (Now there you can find a bar)

Castle Litomyšl

Castle Litomyšl

- Renaissance arcade castle Litomyšl is one of the biggest renaissance castles in Czech republic and was designed and built in the 16th century.
- It used to be a summer residence of the nobility.
- In these days you can find there a great place for tourists, museum of art, warehouse of art and a congress centre.
- Weddings, cultural events and a famous event called Smetanova Litomyšl takes place there.

Some interesting facts about the
castle and some pictures

In 1994 a important meeting
of a seven presidents took
place there.
